

## YOUR PERSONAL INVITATION

# For a Citizen Social Event

---

### What can you expect?

The purpose of this event is to hear YOUR voice, and understand public awareness, concerns when it comes to purchasing, disposing, and recycling of multi-layered plastic packaging.

There will be interactive discussion and refreshments served.

After the interactive discussions we will be offering food, beverages and socializing opportunity with all participants.

---

### Interested in joining?

**Book soon because there are limited spaces.**

### Where and when?

Lyon on 28th March
